Please see below and use the attached memo on current status in place of the draft you saw yesterday that I sent to Rett. This version is updated slightly and is the version that Rett sent to Susan Bodine and Larry Starfield yesterday.

Bob-

These documents should help you in your discussions this week with MDEQ. Please pass on the Cathy and whoever else needs to see it. The briefing memo (1st attachment) with talking points is the main item; the other 4 attachments are additional information should Cathy want it.

We seem to be on track for Wednesday.
